

## Intermountain HOG 2024 Idaho State Parks Challenge:

In order to get more people out and enjoying this great state of ours I am sponsoring a new kind of challenge. It is to visit as many State Parks as possible from now until October 31, 2024. There are a total of 27 official Idaho State Parks and a list, description, and map can be found here: [Welcome to Department of Parks and Recreation \(idaho.gov\)](https://www.idaho.gov/department-of-parks-and-recreation) You can buy a \$10.00 Park Pass that is good for all State Parks for one year here [The Idaho State Parks Passport | Department of Parks and Recreation](#) or at any DMV office. The person with the most State Parks will win a prize package to be presented at the December 6<sup>th</sup> Friendsgiving meeting.

Some of these parks are as close as Eagle Island and Lucky Peak or as far as Priest Lake in Northern Idaho or Bear Lake in Southeast Idaho. All have something special to offer and will give you a great opportunity to see some of the state you might not have otherwise. Good luck to all.
